

# WHICH TEST DO I NEED?

Does anyone in the household have symptoms of Covid 19?  
Have you been identified as a contact of a confirmed case?

No symptoms  
Not a contact

Yes a household member has COVID symptoms  
**Household isolate**  
**DO NOT GO TO SCHOOL**

Contact of a Confirmed Case  
**DO NOT GO TO SCHOOL**

### Lateral Flow Test (LFT's)

Lateral flow tests are used for those who do not have symptoms.

Lateral flow tests are available from the school for secondary age pupils. Households can also order test kits from: [Order coronavirus \(COVID-19\) rapid lateral flow tests - GOV.UK \(www.gov.uk\)](https://www.gov.uk/order-coronavirus-covid-19-rapid-lateral-flow-tests)

Results must be entered onto Government portal if Negative / Positive / Void.

If positive, DO NOT TAKE ANOTHER TEST

If result entered incorrectly DO NOT TAKE ANOTHER TEST – take a photo of the test strip including serial number

**You will receive a text message with result – FOLLOW THE ADVICE ON THE TEXT**

**Invalid**      **Negative**      **Positive**

### Standard Covid Test (PCR)

Book a test online:

Get a PCR test as soon as possible if you **have any of these symptoms OR have had a positive LFD test**:

- a high temperature
- a new, continuous cough
- a loss or change to your sense of smell or taste

Continue to isolate until test result received

**Anyone in your household and support bubble (including childcare) should isolate**

### Standard COVID Test (PCR)

If you've been in close contact with someone who's tested positive for COVID-19 or If you have been contacted by TTP and identified as a contact, you need to book a PCR test

Book a test online:

Only the identified contact needs to self isolate and arrange a test unless someone in the household has COVID symptoms or has tested positive.

TTP will advise on contacts last date of isolation and must stay isolated unless they are advised otherwise regardless of test result

**Void Result**  
Repeat the LFD test

**Negative Result**  
There is no need to self-isolate, unless you or a member of your household have Covid symptoms or have been advised by TTP to isolate.

**Positive Result**  
Self-isolation along with everyone in the house immediately and a PCR test should be booked in 24hrs.

**Negative Result**  
There is no need to self-isolate unless a member of your household have tested positive or you have been advised to by TTP. You must also be fever free for 48hrs.

**Positive Result**  
Self-isolation is required immediately along with everyone in the household and your identified contacts. You will be contacted and advised by TTP.

**Negative Result**  
You need to continue self isolation as an identified contact.

**Positive Result**  
Self-isolation is required immediately along with everyone in the household and your identified close contacts. You will be contacted and advised by TTP.
