Annwyl Ddarllenydd,

Wrth i chi agosáu at ddiwedd eich gyrfa ysgol, byddwch yn wynebu penderfyniadau pwysig iawn a fydd yn effeithio ar eich dyfodol a'ch rhagolygon tymor hir.

Efallai y bydd nifer ohonoch yn dewis astudio pynciau sy'n cael eu cynnig yn eich ysgol gartref, ond efallai y bydd eraill ohonoch eisiau dilyn cyrsiau sy'n cael eu cynnig yn rhywle arall.

Dan rai amgylchiadau efallai y bydd pynciau'n gwrthdaro ar eich amserlen ac, yn hytrach na gorfod dewis pwnc arall, mae cyfle i chi astudio eich dewis bwnc mewn canolfan addysg arall erbyn hyn.

Mae gan bob canolfan addysg gyfleusterau rhagorol i ddisgyblion chweched dosbarth a, lle bynnag y dewiswch astudio, byddwch yn derbyn cymorth academaidd a phersonol i sicrhau eich bod yn cael pob cyfle i lwyddo. Mae rhai dysgwyr wedi dilyn cwrs astudio yn y coleg neu mewn ysgol arall ac maent wedi llwyr fwynhau'r profiad.

Sefydlwyd LINC Conwy ym mis Medi 2011 ac mae hwn yn sicrhau fod pob Ysgol Uwchradd yng Nghonwy a Choleg Llandrillo yn cydweithio i gynnig cymaint o ddewis ag sy'n bosibl i ddysgwyr ôl-16. Mae'r trefniadau yma wedi bod yn llwyddiannus fel y gwelwn yng nghanlyniadau arholiadau'r dysgwyr ac hefyd mewn adroddiad diweddar gan ESTYN. Lle bynnag y dewiswch astudio, bydd eich cynnydd yn cael ei fonitro'n agos a bydd eich ysgol gartref yn derbyn diweddariadau rheolaidd.

Gobeithio y bydd y prosbectws yma o ddefnydd i'ch helpu i wneud penderfyniadau am y cyrsiau yr hoffech eu hastudio.

Pob hwyl i chi yn y dyfodol.

A Message from Conwy's Chief Education Officer

Dear Learner,

Now that you are coming to the end of your compulsory schooling, you will be faced with making very important decisions which will impact on your future and long term prospects.

Many of you may choose to follow subjects offered at your home school however, others may wish to follow courses offered elsewhere.

In some circumstances there could be a clash of subjects on your timetable and rather than making alternative choices you now have the opportunity to follow your preferred subject at another education centre.

All educational centres have excellent facilities for sixth formers and wherever you choose to attend you will be given both academic and personal support in order to ensure that you have every opportunity to succeed. Some learners follow a course of study at college or another school and have relished the experience.

LINC Conwy was established in September 2011 which included every High School in Conwy and Coleg Llandrillo working together in order to offer as much choice as possible for post 16 learners. This arrangement has been successful as demonstrated in learners' examination results and also in a recent ESTYN Report. Wherever you choose to study, your progress will be closely monitored and regular updates provided to your home school.

I hope that you will find the content of this prospectus to be helpful in enabling you to make decisions about the courses you would like to study.

I wish you all the best for the future.

DR LOWRI BROWN

Head of Education Services
(Chief Education Officer)

Beth Nesa?

Mae tri dewis gennych ym mis Medi.

1 Gallech aros yn yr ysgol a gwneud cyrsiau sydd ar gael ym mhrosbectws yr ysgol a'r prosbectws yma. Ym mis Medi 2019 byddwch yn gallu aros ymlaen yn y chweched dosbarth a ddewiswch chi a bydd gennych fwy na 30 o gyrsiau galwedigaethol a chyrsiau AS eraill i ddewis ohonynt. Cânt eu dysgu naill ai yn eich ysgol gartref, mewn ysgol arall neu gan y coleg.

2 Gallech adael yr ysgol a chymryd un o'r cyrsiau llawn amser niferus sydd ar gael yn y coleg. Mae rhestr o'r rhain ym mhrosbectws y Coleg a dylai hwn fod ar gael yn yr ysgol.

3 Neu'n olaf, gallech chwilio am brentisiaeth sydd ar gael ar wahanol lefelau neu swydd, un gydag elfen o hyfforddiant ynddi fyddai orau.

Pa ddewis bynnag a wnewch chi, bydd cyfleoedd da i gael swydd yn rhanbarth Gogledd Cymru yn y dyfodol. Mae rhagor o wybodaeth am y rhain ar dudalen 8, 9 a 10.

DYDD MERCHER YW'R DYDD!

Os dewiswch opsiwn 1 uchod, bydd y dewisiadau cyrsiol sydd yn y prosbectws yma ar gael ar Ddydd Mercher. Mae hyn yn golygu y gallwch ddewis astudio cwrs yn unrhyw ysgol uwchradd yng Nghonwy neu yng Ngholeg Llandrillo, ar yr amod eich bod yn gallu cyflawni'r meini prawf mynediad. Mae gan rai cyrsiau uchafswm dysgwyr oherwydd y math o ddysgu a wnânt. Os bydd gormod o fyfyrwyr wedi cofrestru ar gwrs ac na allwn redeg ail grŵp, byddwn yn defnyddio ffurflen gais y dysgwr i ddewis yr ymgeiswyr fydd yn cael lle. Gwnawn ein gorau i adael i gymaint o ddysgwyr ag sy'n bosib ddilyn eu dewis gyrsiau a byddwn yn rhoi blaenoriaeth i ymgeiswyr Blwyddyn 12.

Trwy gael diwrnod llawn i astudio cwrs, bydd y dysgwr yn cael profiadau dysgu mwy dwys. Bydd y staff yn gallu trefnu tripiau a gwahodd ymwelwyr heb effeithio ar eich astudiaethau eraill. Byddwch yn gallu gwneud tasgau hirach heb i'r gloch dorri ar eich traws ac heb i chi orfod symud i ddosbarth arall. Gyda phynciau ymarferol bydd hyn yn golygu bod canlyniadau'r dysgwyr yn well a byddent yn fwy brwdfrydig i weithio. Wrth gwrs, mae'n rhaid i chi sicrhau eich bod yn bresennol bob dydd Mercher oherwydd bydd unrhyw absenoldeb yn andwyo gwerth wythnos lawn o ddysgu.

Yn gyffredinol bydd y diwrnod yn rhedeg o 9.30am hyd 2.30pm sy'n cymryd i ystyriaeth yr amser teithio i'r ganolfan bellaf o'ch ysgol gartref. Bydd cludiant ar gael i chi i'ch ysgol gartref ac yn ôl adref.

Neilltuwch ychydig o amser i ddarllen y prosbectws yma. Mae'n rhoi blas i chi o'r pethau sydd ar gael i CHI ac yn amlinellu'r ffordd greadigol y gall eich cam nesaf mewn addysg fod mor ystyrlon ac amrywiol ag sy'n bosibl. Mae ein partneriaeth yn cynnig cyfleoedd cyffrous a fydd, gobeithio, yn rhoi'r dewis perffaith i chi!

What Next?

There are three routes you can take in September.

1 You could stay in school and follow courses that are available from both your school prospectus and this prospectus. In September 2019 you will be able to stay on in the sixth form of your choice and still have over 30 vocational and academic courses to choose from. They will be taught in either your home school, at another school or by the college.

2 You could leave school and take one of the many full time courses that are available at college. These are listed in the College prospectus that should be available in school.

3 Or finally, you could look for an apprenticeship which are available at different levels or work, preferably with an element of training included.

Whichever of the 3 options you choose, significant opportunities will exist for future employment in the North Wales region. More information about these can be found on page 8, 9 and 10.

WEDNESDAY IS THE DAY!

If you choose option 1 above, the course choices in this prospectus will be available on a Wednesday. This means you can choose to study a course at any high school in Conwy or at Coleg Llandrillo, providing you meet the entry criteria. Some courses do have a maximum number of learners due to the nature of the learning. Where a course is oversubscribed and we cannot put on a second group, delivery staff will use the learner application form to rank applicants. Every effort will be made to meet as many learners' choices as possible and preference will be given to Year 12.

Having a whole day to study a course will allow for more intensive learning experiences. Staff will be able to arrange trips, invite visitors without affecting your other studies. You will be able to undertake longer tasks uninterrupted by the change bell and the need to move class. For practical subjects this should enable better outcomes and generate more motivation. Of course, you must ensure full attendance every Wednesday as any absence will be even more damaging to a whole week's worth of learning.

In general the day will run from 9.30am to 2.30pm which will allow travel time to the furthest centre from your home school. Transport will be provided from and to your home school.

Take some time to read this prospectus. It gives you a flavour of what's on offer for YOU and outlines the creative way in which your next step in education can be as purposeful and varied as possible. Our partnership offers some exciting opportunities which we hope will give you a perfect choice!

Qualifications

All the courses are offered at Level 3.

GCE A LEVELS

An A Level consists of two stages: the AS represents the first year of a two year A Level qualification although it can also be studied separately. AS makes up 40% of the overall A Level grade. A Levels adopt a subject approach and are assessed in the main by external examinations.

VOCATIONAL QUALIFICATIONS

These qualifications include BTEC and OCR Cambridge Technicals and provide a practical, real-world approach to learning without sacrificing any of the essential subject theory. They suit learners who prefer to be assessed on how they are performing throughout the course.

Vocational qualifications have equal status to A Levels

Future employment opportunities in North Wales

The following information will give you an overview of developments in North Wales which will lead to employment. It is estimated that 40,000 jobs will be created over the next 10 years.

Attracting, recruiting and retaining people with appropriate skills is critical to replace a naturally ageing workforce in those growth areas which require greater specialist demands.

For employers, the additional skill to work within two or more languages is increasingly seen as an asset which can be marketed to improve the business. 81% of businesses in North Wales have Welsh speaking staff.

The North Wales Economic Ambition Board has published the North Wales Regional Skills and Employment Plan: http://regionalskillsandemploymentplan.co.uk. It highlights key growth areas, challenges and skills shortages some of which are explained below.

Demand Key Sectors
Energy & Environment

This sector includes energy generation and its use, renewables and low carbon alternate fuels, energy efficiency, and waste management.

Advanced Materials & Manufacturing.

This area includes aerospace, automotive, chemical and petroleum, engineering and precision engineering, life sciences, materials and coatings, opto-electronics, sector specific IT and support services, packaging, professional services, marine, garments, metal and steel.

Future Skills Shortages include: Professional Engineers/ Scientists/ Technologists and Technicians

Construction

£2.7bn worth of construction projects are planned for the next 10 years excluding Wylfa Newydd. Future Demands include: Project Managers/ Civil Engineers / Architects

Demand Growth Sectors
Creative & Digital

This key sector includes publishing, television, video, film, theatre, radio, advertising, PR, gaming, performing arts, and photography and continues to evolve as one of the main socio-economic drivers for North Wales, . Employers report that skills in short supply from new entrants include sales and marketing skills, leadership and management, Welsh language skills and using sector specific software packages.

Health & Social Care

This sector covers a broad range of services including doctors, nurses, dentists, dental nurses, healthcare support services, pharmacy services, social care, childcare, elderly care, residential care, and domiciliary care. There are also links to activities within the 'Life Sciences' sphere including medical technology, pharmaceutical services, regenerative medicine and neuroscience.

The sector in North Wales faces significant skills and staffing issues in the coming years.

Twristiaeth a Lletygarwch

Mae Gogledd Cymru wedi ei restru'n un o'r 10 lle gorau i ymweld ag o yn y byd ac mae'n cyfrif am draean o'r holl dwristiaeth yng Nghymru. Mae tyfiant y sector Twristiaeth Awyr Agored yn arbennig, wedi gweld y sector yn newid ei ffocws yn gyffredinol a'r sialens yw sut i fanteisio ymhellach ar dyfiant cyfleusterau drwy'r flwyddyn gron.

Bwyd a Diod

Mae'r sector bwyd a diod yn dal i fod yn gyfrannwr allweddol i economi Gogledd Cymru.

Mae angen cynyddu atyniad y diwydiant i bobl ifanc gyda chyfleoedd gyrfaol sydd i'w cael o astudio pynciau sy'n berthnasol i STEM i fynd i mewn i rolau megis technegwyr bwyd, peiriannwyr a thechnolegwyr – y mae angen cynyddol amdanynt oll o fewn y sector.

Gwasanaethau Cyllid a Phroffesiynol

Mae galw cynyddol gan gyflogwyr am sgiliau lefel uchel yn y sector yma. Wrth i Gyllid Cymru ddatblygu'n Fanc Datblygu Cymru, mae Llywodraeth Cymru wedi cadarnhau y bydd wedi'i seilio yn ardal Wrecsam, yn agos at gwmnïau cenedlaethol a byd-eang eraill yng Nghaer, Lerpwl a Manceinion.

Tourism & Hospitality

North Wales is in the top 10 of best places to visit in the world and accounts for a third of all tourism within Wales. The growth of the Outdoor Tourism sector particularly, has seen the sector generally refocus and the challenge is how to further capitalise on the growth of year round facilities and attractions.

Food & Drink

The food and drink sector continues to be a key contributor to the economy within North Wales.

Attraction of young people into the industry is needed with career opportunities via STEM related subjects to enter roles such as food technicians, engineers, and technologists – all of which are increasingly required within the sector.

Financial and Professional Services

There are increasing demands from employers for high level skills in this sector. As Finance Wales evolves into the Development Bank of Wales, the Welsh Government has confirmed that it will be based in the Wrexham area in close proximity to other national and global companies based in Chester, Liverpool and Manchester.

The importance of modern foreign languages to business, academia, defence and diplomacy have been constantly highlighted by government, industry and employers. With increasing globalisation of the UK's businesses and employability benefits of international experience, an ability to communicate in a global language such as French is more important, and crucially, more rare than ever. The UK has a shortage of people who can combine language skills with other specialisms like Science, Engineering, Technology and Maths. Career opportunities are vast, including Counselling/Social Services, Sales/Marketing, Education, Customer Services, Human Resources, Banking/Finance, Business, Import/Export, Fashion, Media, Government and Law.

I decided to take this course after I read the LINC prospectus and researched other options. What we do in this course has been so interesting. I enjoy this course and would like to work in media in the future and I feel that this course is the right pathway to take. I found the college to be friendly and tutors/staff are very supportive. It is also interesting to get to know learners from other schools.

Mae teithio i ysgolion eraill yn gofyn ymrwymiad am hyd y cwrs.

C: A fydd raid i mi wisgo fy ngwisg ysgol os caf wersi mewn ysgol arall?

A: Nid yw gwisg ysgol yn ofynnol yn y coleg. Os oes gan eich ysgol wisg chweched dosbarth efallai y bydd disgwyl i chi wisgo hon wrth ddysgu mewn ysgol arall. Fel arall, bydd gwisg smart ond hamddenol yn dderbyniol.

C: Beth am drefniadau cinio?

A: Os byddwch eisiau cael eich cinio yn yr ysgol gynnal (yr un rydych yn ymweld â hi), byddent yn gwneud trefniadau i chi. Pan fyddwch yn astudio yn y coleg, gallwch ddefnyddio caffi 'Horizons'.

C: Sut fyddaf i'n teithio i goleg neu ysgol arall?

A: Byddwn yn darparu cludiant yn rhad ac am ddim i chi ond byddwch chi'n gyfrifol am gyrraedd ar yr amser cywir. Ni ddylech ddefnyddio eich cludiant eich hun. Ond, os ydych yn byw o fewn pellter cerdded at ddarparydd dysgu LINC Conwy, bydd disgwyl i chi ganfod eich ffordd eich hun o gyrraedd yno.

C: A oes gan bob darparydd dysgu yr un codau ymddygiad?

A: Nac oes. Bydd rhai gwahaniaethau ond cewch glywed am y rhain pan ddechreuwch eich cwrs. Bydd disgwyl i chi arwyddo Cytundeb y Dysgwr sy'n gofyn i chi barchu rheolau'r Darparydd Dysgu.

C: Beth ddylwn i ei wneud nesaf?

A: Pan fyddwch wedi penderfynu a ydych eisiau astudio cwrs LINC Conwy, dewch draw i VENUE CYMRU ar Ddydd Mercher Chwefror 20fed 2019, 12.45pm – 3.15pm i gael rhagor o wybodaeth. Yn ogystal â siarad gydag athrawon yn eich ysgol, bydd angen i chi lenwi'r ffurflen gais sydd yn y prosbectws yma a'i rhoi i'ch Pennaeth Chweched erbyn Dydd Mercher Medi'r 4ydd 2019.

FREQUENTLY ASKED QUESTIONS

Q: How many subjects can I study at another school/ college?

A: You can study one subject on the LINC Conwy option. If your school is also working in a local partnership arrangement with a neighbouring school, you can choose to study subjects offered there as long as there is not a timetable clash. Travelling to other schools requires commitment for the length of the course.

Q: Will I have to wear school uniform if I have lessons in another school/ college?

A: School uniform is not required when at college. If your school has a sixth-form uniform then you may be expected to wear this when learning at another school. Otherwise smart, casual wear is acceptable.

Q: What about lunch arrangements?

A: If you want to have lunch at your host school (the one you're visiting), arrangements will be made for you. When studying at the college, you can use 'Horizons' cafeteria.

Q: How will I travel to another school or college?

A: Transport will be provided free of charge but it will be your responsibility to turn up at the correct time. You should not use your own transport. However, if you live within walking distance of your LINC Conwy learning provider, you will be expected to make your own way there.

Q: Do all learning providers have the same codes of conduct?

A: No. There will be some differences but you will be informed of these when you start your course. You will be expected to sign a Learners' Agreement which requires you to respect the rules of the learning provider.

Q: What do I do next?

A: When you have decided if you would like to study a LINC CONWY course, come along to VENUE CYMRU on Wednesday 20th February 2019, 12.45pm – 3.15pm to find out more. As well as talking to teachers at your school, you will need to complete the application in this prospectus and hand in to your Head of Sixth Form by Wednesday 4th September 2019.
