Neges gan Brif Swyddog Addysg Conwy

Annwyl Ddarllenydd,

Wrth i chi agosáu at ddiwedd eich gyrfa ysgol, byddwch yn wynebu penderfyniadau pwysig iawn a fydd yn effeithio ar eich dyfodol a'ch rhagolygon tymor hir.

Efallai y bydd nifer ohonoch yn dewis astudio pynciau sy'n cael eu cynnig yn eich ysgol gartref, ond efallai y bydd eraill ohonoch eisiau dilyn cyrsiau sy'n cael eu cynnig yn rhywle arall.

Dan rai amgylchiadau efallai y bydd pynciau'n gwrthdaro ar eich amserlen ac, yn hytrach na gorfod dewis pwnc arall, mae cyfle i chi astudio eich dewis bwnc mewn canolfan addysg arall erbyn hyn.

Mae gan bob canolfan addysg gyfleusterau rhagorol i ddisgyblion chweched dosbarth a, lle bynnag y dewiswch astudio, byddwch yn derbyn cymorth academaidd a phersonol i sicrhau eich bod yn cael pob cyfle i lwyddo. Mae rhai dysgwyr wedi dilyn cwrs astudio yn y coleg neu mewn ysgol arall ac maent wedi llwyr fwynhau'r profiad.

Sefydlwyd LINC Conwy ym mis Medi 2011 ac mae hwn yn sicrhau fod pob Ysgol Uwchradd yng Nghonwy a Choleg Llandrillo yn cydweithio i gynnig cymaint o ddewis ag sy'n bosibl i ddysgwyr ôl-16. Mae'r trefniadau yma wedi bod yn llwyddiannus fel y gwelwn yng nghanlyniadau arholiadau'r dysgwyr ac hefyd mewn adroddiad diweddar gan ESTYN. Lle bynnag y dewiswch astudio, bydd eich cynnydd yn cael ei fonitro'n agos a bydd eich ysgol gartref yn derbyn diweddariadau rheolaidd.

Gobeithio y bydd y prosbectws yma o ddefnydd i'ch helpu i wneud penderfyniadau am y cyrsiau yr hoffech eu hastudio.

Pob hwyl i chi yn y dyfodol.

A Message from Conwy's Chief Education Officer

Dear Learner,

Now that you are coming to the end of your compulsory schooling, you will be faced with making very important decisions which will impact on your future and long term prospects.

Many of you may choose to follow subjects offered at your home school however, others may wish to follow courses offered elsewhere.

In some circumstances there could be a clash of subjects on your timetable and rather than making alternative choices you now have the opportunity to follow your preferred subject at another education centre.

All educational centres have excellent facilities for sixth formers and wherever you choose to attend you will be given both academic and personal support in order to ensure that you have every opportunity to succeed. Some learners follow a course of study at college or another school and have relished the experience.

LINC Conwy was established in September 2011 and which included every High School in Conwy and Coleg Llandrillo working together in order to offer as much choice as possible for post 16 learners. This arrangement has been successful as demonstrated in learners' examination results and also in a recent ESTYN Report. Wherever you choose to study, your progress will be closely monitored and regular updates provided to your home school.

I hope that you will find the content of this prospectus to be helpful in enabling you to make decisions about the courses you would like to study.

I wish you all the best for the future.

DR LOWRI BROWN

Head of Education Services
(Chief Education Officer)

Beth Nesa?

Mae tri dewis gennych ym mis Medi.

1 Gallech aros yn yr ysgol a gwneud cyrsiau sydd ar gael ym mhrosbectws yr ysgol a'r prosbectws yma. Ym mis Medi 2021 byddwch yn gallu aros ymlaen yn y chweched dosbarth a ddewiswch chi a bydd gennych fwy na 30 o gyrsiau galwedigaethol a chyrsiau AS eraill i ddewis ohonynt. Cânt eu dysgu naill ai yn eich ysgol gartref, mewn ysgol arall neu gan y coleg.

2 Gallech adael yr ysgol a chymryd un o'r cyrsiau llawn amser niferus sydd ar gael yn y coleg. Mae rhestr o'r rhain ym mhrosbectws y Coleg a dylai hwn fod ar gael yn yr ysgol.

3 Neu'n olaf, gallech chwilio am brentisiaeth sydd ar gael ar wahanol lefelau neu swydd, un gydag elfen o hyfforddiant ynddi fyddai orau.

Pa ddewis bynnag a wnewch chi, bydd cyfleoedd da i gael swydd yn rhanbarth Gogledd Cymru yn y dyfodol. Mae rhagor o wybodaeth am y rhain ar dudalennau 39 i 43.

DYDD MERCHER YW'R DYDD!

Os dewiswch opsiwn 1 uchod, bydd y dewisiadau cyrsiol sydd yn y prosbectws yma ar gael ar Ddydd Mercher. Mae hyn yn golygu y gallwch ddewis astudio cwrs yn unrhyw ysgol uwchradd yng Nghonwy neu yng Ngholeg Llandrillo, ar yr amod eich bod yn gallu cyflawni'r meini prawf mynediad. Mae gan rai cyrsiau uchafswm dysgwyr oherwydd y math o ddysgu a wnânt. Os bydd gormod o fyfyrwyr wedi cofrestru ar gwrs ac na allwn redeg ail grŵp, byddwn yn defnyddio ffurflen gais y dysgwr i ddewis yr ymgeiswyr fydd yn cael lle. Gwnawn ein gorau i adael i gymaint o ddysgwyr ag sy'n bosib ddilyn eu dewis gyrsiau a byddwn yn rhoi blaenoriaeth i ymgeiswyr Blwyddyn 12.

Trwy gael diwrnod llawn i astudio cwrs, bydd y dysgwr yn cael profiadau dysgu mwy dwys. Bydd y staff yn gallu trefnu tripiau a gwahodd ymwelwyr heb effeithio ar eich astudiaethau eraill. Byddwch yn gallu gwneud tasgau hirach heb i'r gloch dorri ar eich traws ac heb i chi orfod symud i ddosbarth arall. Gyda phynciau ymarferol bydd hyn yn golygu bod canlyniadau'r dysgwyr yn well a byddent yn fwy brwdfrydig i weithio. Wrth gwrs, mae'n rhaid i chi sicrhau eich bod yn bresennol bob dydd Mercher oherwydd bydd unrhyw absenoldeb yn andwyo gwerth wythnos lawn o ddysgu.

Yn gyffredinol bydd y diwrnod yn rhedeg o 9.30am hyd 2.30pm sy'n cymryd i ystyriaeth yr amser teithio i'r ganolfan bellaf o'ch ysgol gartref. Bydd cludiant ar gael i chi i'ch ysgol gartref ac yn ôl adref.

Neilltuwch ychydig o amser i ddarllen y prosbectws yma. Mae'n rhoi blas i chi o'r pethau sydd ar gael i CHI ac yn amlinellu'r ffordd greadigol y gall eich cam nesaf mewn addysg fod mor ystyrlon ac amrywiol ag sy'n bosibl. Mae ein partneriaeth yn cynnig cyfleoedd cyffrous a fydd, gobeithio, yn rhoi'r dewis perffaith i chi!

What Next?

There are three routes you can take in September.

1 You could stay in school and follow courses that are available from both your school prospectus and this prospectus. In September 2021 you will be able to stay on in the sixth form of your choice and still have over 30 vocational and academic courses to choose from. They will be taught in either your home school, at another school or by the college.

2 You could leave school and take one of the many full time courses that are available at college. These are listed in the College prospectus that should be available in school.

3 Or finally, you could look for an apprenticeship which are available at different levels or work, preferably with an element of training included.

Whichever of the 3 options you choose, significant opportunities will exist for future employment in the North Wales region. More information about these can be found on pages 39 to 43.

WEDNESDAY IS THE DAY!

If you choose option 1 above, the course choices in this prospectus will be available on a Wednesday. This means you can choose to study a course at any high school in Conwy or at Coleg Llandrillo, providing you meet the entry criteria. Some courses do have a maximum number of learners due to the nature of the learning. Where a course is oversubscribed and we cannot put on a second group, delivery staff will use the learner application form to rank applicants. Every effort will be made to meet as many learners' choices as possible and preference will be given to Year 12.

Having a whole day to study a course will allow for more intensive learning experiences. Staff will be able to arrange trips, invite visitors without affecting your other studies. You will be able to undertake longer tasks uninterrupted by the change bell and the need to move class. For practical subjects this should enable better outcomes and generate more motivation. Of course, you must ensure full attendance every Wednesday as any absence will be even more damaging to a whole week's worth of learning.

In general the day will run from 9.30am to 2.30pm which will allow travel time to the furthest centre from your home school. Transport will be provided from and to your home school.

Take some time to read this prospectus. It gives you a flavour of what's on offer for YOU and outlines the creative way in which your next step in education can be as purposeful and varied as possible. Our partnership offers some exciting opportunities which we hope will give you a perfect choice!

Qualifications

All the courses are offered at Level 3.

GCE A LEVELS

An A Level consists of two stages: the AS represents the first year of a two year A Level qualification although it can also be studied separately. AS makes up 40% of the overall A Level grade. A Levels adopt a subject approach and are assessed in the main by external examinations.

VOCATIONAL QUALIFICATIONS

These qualifications include BTEC and provide a practical, real-world approach to learning without sacrificing any of the essential subject theory. They suit learners who prefer to be assessed on how they are performing throughout the course.

Vocational qualifications have equal status to A Levels
