Dear Parents & Guardians,

As we reach the end of a fantastic first term, I'd like to share with you the whole school priorities that we are working on during this school year (image to the right). As a reflective school we strive to keep your child at the heart of what we do and as such we continually evaluate our provision and performance. I have been sharing these priorities with your child during assembly and encourage you to discuss them together at home. As the year progresses, we will monitor our progress and I look forward to sharing our evaluations with you in the summer term. Wishing you all a lovely Christmas and best wishes for the new year. We look forward to welcoming your child back to school on Tuesday, 9th January.

Mrs Evans, Headteacher

Whole School Priorities 2023-24

Helping our children make progress by giving targeted feedback and time in class for the feedback to be acted upon.

Improving standards in literacy across the curriculum, focusing particularly on reading, writing and vocabulary.

Ensuring a high standard of engagement and learning for all our children.

Double Award!

We are immensely proud to have received two prestigious national recognitions this half term:

- Secondary School of the Year in North Wales- awarded at the ceremony in St Asaph, where the schools were nominated by the public.
- 4th in the Sunday Times Top Schools in Wales. The Parent Power Schools Guide takes into account the care and support of our learners as well as the academic achievements of all.

Alongside the Rainbow Flag Award and Investors in Families awarded in the first half term, we have had a very celebratory first term!

Working Together - Thank you! We are delighted to receive sponsorship from Truck Parts North Wales for our senior football kit and Gwyn Evans CVR for our senior rugby kit – a big thank you to both companies! If you know of a company that would be interested in working with us or in providing sponsorship for our different events, please contact school on general@eirias.sch.conwy.uk.

Keep Connected.. For more information about school events and to read about our news stories of our young people, please like and follow us on our social media platforms:
