Dear Parents/Carers

Re: Face Coverings/End of Term

The Welsh Government have announced today that learners in Secondary Schools should now wear face coverings in all school internal communal areas, including classrooms.

Parents and Carers will know that our young people are already wearing coverings in communal areas such as corridors and the school hall.

The school will continue to provide face coverings for those learners that forget their own.

The school will also continue to operate an exemption list; thank you to those parents who have contacted the school to let us know.

Additionally, there has been speculation in the media regarding schools closing early, or switching to online learning prior to Christmas.

Please note that I have received no instruction from either the Welsh Government or the Local Authority that indicates that this will happen.

School will therefore close, as planned, on Wednesday 22nd December.

If however, there are changes to this then I will inform you as soon as possible.

With thanks to you all for your continued support.

Yours sincerely

**Mrs S Sutton
