

Dear Parents & Guardians,

As we approach the end of this academic year, I thank you for your continued support and collaboration.

Your partnership helps us create a nurturing and stimulating environment where our children can thrive. Together, we navigate challenges and celebrate achievements and through this collective effort, we see our children grow and succeed. We succeed together.

I look forward to continuing this journey with you next academic year, and beyond and to welcoming your child back to school on Wednesday September 4th. Best wishes to you all for a lovely summer.

The Doctor In Wonderland!

We were extremely proud to present the brilliant performance of 'Doctor in Wonderland' this term. The stellar cast performed for 3 nights supported by a superb backstage crew and supporting team. The show was a delight to watch: our students really did themselves proud!

Many thanks to all of the staff and parents that have supported the show and a big shout out to Mrs Howell and Mr Gregson Jones who have put so much into the show this year.

We would also like to thank all the local businesses who donated to our raffle, and a special thanks goes to No. 25 (Rhos on Sea), North Wales Magazine and Asda Llandudno for sponsoring our show.

Watch this space for more drama.....

Well-being TED-X Festival

6 brave students stood up in front of an audience of students and adults that they had never met before and spoke with confidence and conviction about Stigma - their words were heartfelt and very moving - da iawn pawb!

Interform Rounders Event

Due to ongoing work at Eirias Park Stadium we were unable to hold our usual Sports Day event that has been the highlight of the school year for so many of our learners over the years. In it's place a highly successful interform rounders event took place that was enjoyed by staff and learners alike.

Term Activities

There have been an incredible amount of extra-curricular and experiential activities this half term – staff have been really busy taking our learners out of school for a range of activities including Field Trips, Alton Towers, Wellbeing Festival, German Football Tournament, Dance Workshops, Plas Mawr Takeover, Stock Market Challenge, Duke of Edinburgh.....

This project which runs in the second, third and fourth week of the summer holidays supports young people from our year 7 and 8 along with children from our feeder primary schools with access to healthy food and activity over the summer. We are excited to be partnering with many external agencies such as Ffit Conwy and Cadw for this project and look forward to this experience with our children.

Other Summer Activities are on offer from Conwy Council throughout the summer holidays. Please click the link to access [Conwy Youth Service's Summer Timetable for young people aged 11 to 24](#)
