Year 13 Assessment Pathway

Outlined below is a schedule of In Class Assessments, (shown on a week by week basis) to be taken by Year 13 students in the period between the end of November and the 12th February. There looks to be a lot of subjects, but students will not study all of these. Pupils should identify the subjects they are studying. Assessments will be undertaken in the classroom during normal lesson time, and will be part of the normal teaching, learning and assessment cycle. Specific dates will be given to the pupils by their class teacher in advance. There are three assessments per subject in this time period.

After February half term, the examination board will be setting External assessments, with will also be conducted in class time. We will forward more details of this when we have more details.

Please note that students on applied courses will still need to take external exams
