

IN THE KNOW

Dear Parents & Carers,

As our Year 11 and 13 students finish their final lessons and head into study leave, we know this is a deeply bittersweet time. We will miss them immensely, but we are delighted to welcome so many Year 11s back for Sixth Form and look forward to the adventures ahead for all our leavers.

This season also brings major milestones for our other cohorts too:

- **Years 10 & 12:** We acknowledge their hard work as they step up to face important summer exams. We are right behind them.
- **All Other Year Groups:** We look forward to exploring new horizons with them through their upcoming academic and pastoral curriculum, well-being events, Induction Days for new Year 7 and 12 students, and community highlights like Sports Day.

Whether your child is preparing for examinations or continuing their journey through this final half term, thank you for your continued support and partnership. We wish all our students the absolute best over the coming weeks!

Warm regards,

Mrs Evans, Headteacher

Aspiration & Succeeding Together

Attendance Update – Positive Progress

Involvement & Effort

Attendance stays a strong focus across the school, with overall rates continuing to compare favourably to local and national figures.

This term, we have seen:

- **Excellent attendance in Year 7 and Sixth Form**, helping build strong routines from the start and sustain positive habits post-16.
- **Improved punctuality across the school**, with fewer late arrivals and stronger expectations in place.
- **Successful targeted support**, including new provisions that have re-engaged learners and strengthened their sense of belonging.

We continue to reinforce our message that “**Every Minute Matters**”, with clear systems, regular monitoring, and strong partnerships with families helping to support positive attendance for all learners.

A gentle reminder to families: we greatly appreciate your support in avoiding holidays during term time, as this helps ensure that no valuable learning is missed.

If your child is struggling with their attendance, we are here to help. Please contact your Head of Learning or ring school: 01492 532025.

Preparing our Learners for a Safer and Responsible Future

Respect & Inclusivity

On 17th April, Year 11 students took part in a session with RASASC North Wales, supported by North Wales Police, as part of the *Don't Steal My Future* programme. They explored key topics such as consent, healthy relationships and online safety, engaging with maturity and respect. RASASC praised the group, saying they were the best students they had worked with!
