

Results days 2020

Hello, Hope you are all well!

There is no denying that this has been a very difficult year for you.

You have missed out on many of the traditions that are linked with the end of the school year, not just the exams, (perhaps not the most “enjoyable” of these traditions!), leavers assemblies, The Ball, etc.

We are trying to make the results days as enjoyable as possible. We have had to wait until the last possible moment to see if there were some changes to the Covid-19 regulations. But none as yet!! Everyone’s health and safety will remain a priority, so result delivery will be more staggered than usual to minimise the number of pupils in school at the same time.

Year 10 and 12 results will be emailed to them (**PLEASE read this document carefully**).

When pupils come into school, they will need to sign a screening sheet, sanitise their hands, and maintain social distancing throughout the process.

Social distancing will mean no hugs, sorry. We know you’ll find other ways to celebrate with one another. Beyond this, we want to make the day as enjoyable as possible.

Below are some tables for each year group which show you how we plan to issue results. Please be patient it may take longer to issue results than we all would like! Alternatively if you would like to receive your results by email please send your name and email address to exams@eirias.conwy.sch.uk as soon as possible.

PLEASE NOTE: If you do not send an email request confirming your name and email address, we cannot send you the results, and you will have to wait until September.

If you send your parents to collect your results please write a note requesting that this is what you want your parents to do and ask them please to bring this note plus a proof of their identity e.g. passport or driving license.

Year 13 Results day is 13th August

Results will be available from 9 am in the following areas. Access to the buildings via the yard into the following doors to access the room where you results will be available
